

# GOALS AND ACCOMPLISHMENTS FOR 2018-2019

- Faculty from the Artis College developed curriculum for the Cybersecurity certificate that is provided as computer-based education.

Goal: Support the efforts to realize the University's goal of all students being employed in the United States.

College achievements and opportunities at the Volunteer Summit on February 23, 2010

The academic reputation of the ACSAT is also promoted to prospective students in grades 1-6 through Camp Invention that was conducted last summer during June 18-22, 2018. Summer
