

Core Staffing Report

Executive Summary

The attached charts represent the Core Curriculum sections taught by instructors of various ranks since Fall 2010. The charts are organized by the number of sections, not the number of instructors. Because the numbers include the same person teaching over multiple semesters, promotions from assistant professor to associate and from associate to full professor

All CORE Sections Since Fall 2010

		Full-Time			Part-Time			
Course	Professor	16	1	15	5	37	84	
	CORE103	1	5	3	13	22	16	
	CORE201	7	12	19	25	63	144	17
	CORE202	6	7	13	8	34	96	11
