

Directory Information-Restriction or Release Request

I request that my name and RU email address not be included in the University Web Directory. This restriction should have no bearing on other releases.

I request that directory information as defined by Radford University below not be released (to persons other than those authorized by policy to receive this information) without my written consent.

Note: While there are sometimes very legitimate reasons why a student may want to restrict their directory information, please note that placing a restriction on the release of a student's information means that RU personnel cannot even acknowledge to a third party whether or not he/she is a student at the University. This can sometimes cause the student and their parents some inconveniences related to the verification of enrollment and/or graduation for insurance and loan deferment purposes.
